INX

INX Utility Asset

INX

INX is the utility asset of the InziderX exchange. It allows discounted access to the solutions offered by our exchange to advanced and novice digital assets traders.

The INX digital utility asset is the main instrument with which our team plans to develop the decentralized exchange wallet.

INX Utility

It will be possible to use the INX as a utility asset for the solutions that InziderX offers to its users.

- 10% discount on transaction fees.
- payment for signal services
- reward to forum contributors
- rewards for negotiators contest
- reward for market maker

Benefits

- Buyers of the sale with three levels of contributions
- InziderX users with reduced fees and rewards
- Miners - it will be possible to undermine the INX

INX Sales

INX Sales

The sale of InziderX will be used to develop the decentralized exchange with all its tools for advanced negotiators, its portfolio, as well as other options to support its community: forums, contests, signal.

50% of the INX will be mined in the Genesis Block. 42% will be distributed to the buyers of the sale and will be used to develop InziderX projects. 6.6% will be kept in reserve for the management of the exchange and 14% will be used for the advertising program.

50% of INX can be mined at 1.5% per year. It will take approximately 66 years before its total issue.

The softcap for the sale of the INX asset is \$ 3 million and the hardcap is \$ 30 million.

Emission

Name : Active Digital InziderX

Code : INX

Quantity issue : 144,000,000

Premined quantity for the presale : 72 000 000

Introductory price : \$ 0.55

INC

The intention of the InziderX exchange is to create a mass movement that is interested in the negotiation of digital assets. The exchange for the 99% - main street.

The forum of the active learning community of the InziderX exchange will be based on Steemit technology model and will have its own utility asset - the INC - InziderX Community Asset.

The INC will be the tool with which the InziderX community will reward the most relevant contributors to the active learning forum.

Buyers of the sale as well as those who participate in our promotion rewards program will receive INC first for the same amount of INX purchased or promised.

INC will be given to INX buyers and Promotion Rewards participants and will be distributed as soon as the InziderX Active Community Forum opens.

It will be possible to use its INC on the forum as soon as it opens without losing its right on its INX.
